

**REMARKS**

Claims 1-36 and 44-47 are pending. By this Amendment, claims 37-43 are cancelled.

This Amendment should be entered after Final Rejection because it cancels the rejected claims to place this application in condition for allowance.

Claims 37-43 stand rejected under 35 U.S.C. §102(e) over U.S. Patent No. 6,657,702 to Chui et al. This rejection is moot.

Applicant notes with appreciation the allowance of claims 1-36 and 44-47.

In view of the foregoing, Applicant submits that this application is in condition for allowance. Favorable reconsideration and prompt allowance are earnestly solicited.

Should the Examiner believe that anything further would be desirable in order to place this application in even better condition for allowance, the Examiner is invited to contact Applicant's undersigned attorney at the telephone number listed below.

Respectfully submitted,

Mario A. Costantino
